

Maksym Skrypniuk

Maksym.skrypniuk@gmail.com

A creative and diligent aspiring software engineer with a specialization in front website and mobile app development.

Self-believing and enthusiastic, with a keen interest in building and designing Frontend, Backend-api, mobile app and web scraping.

Looking forward to sharpening my skills in a challenging environment.

I guarantee enthusiasm in work and fulfilling my projects with inexpressible efforts.

The web can sometimes be indistinguishable from magic, but I have the knowledge and patience required to make just about anything.

Work Experience

Software Engineer

TELEVOX SOFTWARE
